

CLEAN ROOM CONVERTING SERVICES

FOR MEDICAL & HEALTHCARE
APPLICATIONS

We understand that the integrity of your products is vital, especially in medical and healthcare applications. That's why we partner with top-tier clean room converters designed to meet the highest standards of quality and precision in a controlled environment.

CLEAN ROOM CAPABILITIES

ISO 7 Certified Clean Room: All die-cutting processes are conducted under strict sterile conditions, minimizing contamination and ensuring product safety.

Versatile Die-Cutting Solutions: We can die-cut a wide range of materials, including tapes, thermal interface materials, foams, plastics, films, and multi-layered stack up projects.

Consistent Quality Management: Our rigorous quality management systems guarantee that every piece meets your exact specifications, with precision you can trust.

WHY CHOOSE ELLSWORTH ADHESIVES?
